MINERAL EXTRACTION ACTIVITIES APPLICATION FORM

SECTION 1 – APPLICANT INFORMATION

Applicant Name:			
Address:			
Contact Person:		Email:	
Title:		Telephone:	

SECTION 2 – MINERAL EXTRACTION ACTIVITIES INFORMATION

Project Title:		Project Value (before taxes): $
Brief Description of Project:		
Nature of activities	☐ Quarry	
	☐ Borrow Pit	
	☐ Blasting Activities (complete below):	
	Northern Village consulted and formal authorization obtained:	☐ Yes ☐ No Comments:
	KRG consulted and formal authorization obtained:	☐ Yes ☐ No Comments:
	Blaster Certificate No.	
	Explosive materials storage location: *(attach extract of plan or GPS coordinates)*	

SECTION 3 – CATEGORY I LAND PARCEL DETAILS

Proposed Activities Location: *(attach extract of plan or GPS coordinates)*	☐ Existing Site:
	☐ New Site:

SECTION 4 – ESTIMATED VOLUME OF GRANULAR TO BE EXTRACTED

Natural gravel:		m^3
Natural sand:		m^3
Crushed stone:		m^3
Loam:		m^3
Other (specify:):		m^3
Granular storage location:	☐ on the quarrying activities land parcel	
	☐ on an additional Land parcel for temporary storage as per paragraph 9 of General Conditions *(attach extract of plan or GPS coordinates of temporary storage area)*	

SECTION 5 – PROJECT TIMELINE

Anticipated date of arrival of material in the community:	
Anticipated date for start of activities:	
Estimated date of completion of activities:	
Estimated date of departure of material from the community:	

SECTION 6 – CONTRACTOR (PIT OR BLASTING OPERATOR) INFORMATION (if different from Applicant)

Contractor Name:			
Address:			
Contact Person:		Email:	
Title:		Telephone:	

NAYUMIVIK LANDHOLDING CORPORATION OF KUUJJUAQ
1140 Immirtavik Road, P.O. Box 209
Kuujjuaq, QC J0M 1C0
Email: stukkiapik@nayumivik.ca Tel: (819) 964-2870

SECTION 7 – REQUIRED DOCUMENTS	
☐ Activities Site Plan ☐ Proof of Application Fee payment ☐ Blaster Certificate (if applicable)	☐ Granular/Explosive Material Storage Site Plan (if applicable) ☐ Environmental Assessment (if applicable)

SECTION 8 – GENERAL CONDITIONS	
1.	The ***Mineral Extraction Activities Application Form*** must be completed and submitted by the Applicant to the Landholding Corporation (LHC) at the latest sixty (60) days before the proposed start date of the Project.
2.	The ***Application Fee*** is established at $300.00 per parcel of Category I Land and is payable to the LHC either by cheque or electronic funds transfer (EFT).
3.	Upon receipt, the ***Mineral Extraction Activities Application Form*** will be reviewed by the Landholding Corporation (LHC), which reserves the right to accept or refuse any application at its sole discretion. Please note that submitting a completed application does not constitute permission to use or occupy Category I Land, nor does it authorize the start of any mineral extraction activities.
4.	The LHC reserves the right to reject any ***Mineral Extraction Activities Application Form*** if the Applicant and/or their contractor has outstanding debts related to previous projects or Land occupation.
5.	Any unauthorized use or occupation of Category I Land may result in legal action, including an injunction requiring the immediate cessation of all activities. The LHC may also hold the responsible party liable for restoring the Land and repairing any damages caused.
6.	The ***Mineral Extraction Activities Application Form*** is used to request the allocation of a parcel of Category I Land, for the purpose of conducting mineral extraction and blasting activities, storing explosive materials and extracted granular. Please note that a Development Permit issued by the Northern Village is also required for any project taking place within municipal boundaries. The allocation of a parcel of Category I Land by the LHC in no way obligates the Northern Village to approve the project, nor does it ensure the project's compliance with municipal and provincial regulations.
7.	Once the ***Mineral Extraction Activities Application Form*** is approved by the Landholding Corporation (LHC), a formal resolution will be issued by its Board of Directors to confirm acceptance. Please note that the role of the LHC is limited to authorizing the location of the site on Category I Land. Any mineral extraction activity remains subject to obtaining the appropriate environmental authorizations, permits, and lease rights from the relevant Québec ministries and regulatory authorities. The Applicant is responsible for ensuring compliance with all applicable provincial laws and regulations prior to commencing such activities.
8.	Upon completion of the mineral extraction activities, the Applicant shall, at its sole cost, restore and rehabilitate the site in accordance with all applicable Québec government regulations, environmental requirements, and any conditions imposed by the competent authorities.
9.	Any additional parcel of Category I Land required for temporary granular storage is allocated in increments of 929 m^2 (10,000 ft^2) at an annual rate of $30,000 per parcel or $3,000 per month, depending on the chosen billing method.
10.	The acquisition, extraction, mining, or exercise of any mineral or any subsurface rights on or under Category I Lands is permitted only with the prior consent of the LHC and upon payment of the applicable compensation for the use of such rights over the Lands.

2025: $14.60/$m^3$	2026: $14.80/$m^3$	2027: $15.00/$m^3$	2028: $15.20/$m^3$	2029: $15.40/$m^3$

11.	Please return this completed form and all supporting to documents to *stukkiapik@nayumivik.ca* with a copy to *construction@nunaliit.ca*.
	I acknowledge that I am duly authorized to act on behalf of the Applicant, and by signing this form, I bind the Applicant to the terms and conditions set forth herein. I certify, on behalf of the Applicant, that the information provided is complete and accurate to the best of my knowledge. Furthermore, the Applicant agrees to comply with all applicable policies, rules, and regulations of the LHC regarding Land use, and undertakes to pay all required fees, compensation, and any other charges associated with the occupation or use of the Land.
